

Non-Cash Gift Guidelines

About Non-Cash Gifts

The WellHouse partners with iDonate Charitable Foundation to accept non-cash gifts that are able to be liquidated. Please review this document before proceeding to give a non-cash gift. To give in-kind donations from our Needs List (i.e. paper towels, laundry detergent, etc.), visit our Needs page online at <https://the-wellhouse.org/needs>. To give a non-cash gift for liquidation, use our online donation form at <http://the-wellhouse.org/donate-1>.

Note: not all gifts are accepted, as items must have market value higher than the cost to ship, transport and liquidate

How to Donate Non-cash Gifts for Liquidation

Follow this step-by-step process:

1. Go to our website (<https://the-wellhouse.org>) and click the “donate” button.
2. Scroll down to the online donation form.
3. Click the button that matches the type of asset you wish to donate.
4. Complete the rest of the online form and submit.
5. You will receive an email from our liquidation partner, iDonate Charitable Foundation with instructions for transferring the donation, including shipping or pickup coordination information.
6. Click on the Facebook, Twitter and email icons to share your donation with your friends and family. You never know who your story might inspire.
7. After the transfer is made, you will receive all documents needed for tax purposes (consult with your tax advisor if you have specific tax questions).
8. Set up an account! After you have donated once, you may create a giving account, and our website will securely store your information and giving history in one easy-to-access place. To give a second time, you will only need to verify your email address to log into your giving account.
